

Troop 172 Camp Geronimo Information
(Updated May 20, 2011)

1. Basic Information:

- Dates: Saturday, June 25th to Saturday July 2nd
- Location: Camp Geronimo, 30 minutes north of Payson
- Departure Info: Meet at Dayspring Church 6/25 at 8:30 a.m. for check-in.
- On 6/25, have scout bring his day pack (with light gear, poncho, and quart of water) but do not pack it in the Troop trailer. Suggest scouts wear red Class B tee-shirt under Class A uniform.

2. Gear: See Permission Slip and Gear List on website. Duffle Bags are better than backpacks for storing gear. These and other bulky items will be hauled to campsite in Troop trailer.

3. Tenting: Two scouts to a tent (pick buddy or be assigned). Troop will bring four stand alone tents but we need four more tents. If you have a nice sized tent (7 by 7 or larger) that your scout can use/share, please advise Tom Sands. Also, cots are nice to have, but be sure to bring a foam sleeping pad to insulate from below.

4. Medical Forms:

- Everyone staying more than 72 hours is required to have health exam form (see "Geronimo 2011" section under "Info and Links" tab at www.troop172az.com).
- Complete Parts A, B, and C for Geronimo. Provide completed form to Melody Scull by June 13th.

5. Medications – Complete Scout Medication Form (on Troop website) and submit with meds. All prescriptions will be kept in a lock box and administered by adult leader(s).

6. Spending Money: Suggest sending along \$30-\$35 in small bills for craft projects, snacks, souvenirs, supplies, flashlight batteries, etc. Place money in envelope with scouts name and dollar amount on written on the outside. It will be kept in the troop lock box.

7. Mail: Letters from home are nice but can cause homesickness. Suggest keeping to minimum and/or make it later in the week. Mail takes two or three days to reach camp from Tempe, so plz don't mail anything after Tuesday. Camp mailing address is:
